---

Sir,

I am desired to address you on the subject of the University of Mysore acquiring from the Municipality of Mysore two small pieces of land adjoining the premises of the Students' Home They are (1) a strip of waste land at the rear of the old - Cosmopolitan Club building up to a line continued from the - existing northern boundary of the Conservancy Lane formed by the compound of the Students' Home, and (2) the small triangular piece of land adjoining the old Cosmopolitan Club building on the east and on the Southern side of the Hundred Feet Road The acquisition of these two small pieces of land will make a compact and completed block for the Students' Home and its different buildings. The boundary wall which will enclose the acquired land will also constitute a public improvement. The Dewan who inspected the area on the 23rd instant entirely approved of the acquisition

2 Trusting that you will be good enough to take the necessary steps for the early acquisition by the University of the said two pieces of land

I have the honour to be,
